THE HOLLYWOOD KID

By Mack Sennett ✓

A motion picture producer has a scenario which requires the ability of a kid much out of the ordinary. He begins to search for this prodigy and eventually finds one in the sand lots and is about to complete a contract with his parents when a rival producer attempts to double cross him. The scenes incident to the signing of the child's contract are funny and show much that is humorous in the making of the child's pictures.

This document is from the Library of Congress
“Motion Picture Copyright Descriptions Collection,
1912-1977”

Collections Summary:

The Motion Picture Copyright Descriptions Collection, Class L and Class M, consists of forms, abstracts, plot summaries, dialogue and continuity scripts, press kits, publicity and other material, submitted for the purpose of enabling descriptive cataloging for motion picture photoplays registered with the United States Copyright Office under Class L and Class M from 1912-1977.
